COFFEE

DISCOVER 1700HE

HLF is proud to introduce its solution for the home and the small OCS market. From the experience gained in the field of professional machines, the 1700 HE includes all the features necessary to be a true specialties coffee machine at home.

The large coffee brewer, able to hold up to 18 grams of coffee, can perfectly dispense espresso, long coffee, Americano and any other type of coffee drink, thanks to its automatic adjustment. The ability to produce chocolate or any other type of freeze-dried product makes the small 1700 HE a machine capable of offering a large variety of beverages. The gorgeous 7-inch touch screen (wide screen) allows countless functions and makes the use of the machine simple and intuitive. Fast with drink selection and sophisticated with functions.

With the 1700 HE it's like having a coffee shop at home.
